Category I with \$5,000 Down Payment Assistance

The SHA Assistance Second Mortgage Loan Program can only be used in conjunction With the First Mortgage Program. All program parameters and requirements of the First Mortgage Program underwriting will be used. See matrix for the Income and Purchase Price Limits.

Down Payment Assistance

A \$5,000.00 Second Mortgage Loan that can be applied to the down payment, closing costs and prepaid items for the purchase of a single-family dwelling.

Down Payment Assistance (DPA) Repayment Plan

The interest rate on the assistance loan is 4% and payments are deferred until the third anniversary of the first payment on the first mortgage. Therefore, a loan with the first mortgage payment due April 1, 2012, will have the first payment due on the second mortgage on April 1, 2015 with the final payment due on March 1, 2020. There will be no interest accrued during the 3-year deferment period. The payment on the maximum assistance amount of \$5,000.00 will be \$92.08 per month. The payment will not be used in the qualifying ratios since it is being deferred for 36 months. State Housing will not subordinate a second mortgage.
